As explained in the Court's prior scheduling order (ECF No. 59), the purpose of the hearing will be for the Court to evaluate the sufficiency of the evidentiary support for Plaintiff's request for damages from Defendant Phoenix Transportation Service ("PTS"). Plaintiff should be prepared to testify regarding the basis for his damages claims, including how he calculated his damages, and to answer questions regarding the documents he has already submitted to the Court to explain how they support his damages claims. In addition, Plaintiff should bring documents, and be prepared to testify, about any other jobs he held following his constructive discharge from PTS, including the time periods during which he held each job and how much he was paid by each employer. If Plaintiff has any other documents regarding his damages claims that he has not already submitted to the Court, he should bring them to the hearing. PTS should attend the hearing if it wishes to be heard on this subject.
